Formulation Code: 065-20-00-00/1

Ingredient Benefits

Micromulse® LB

- Forms transparent Micellar Oils
- Extremely mild formulation - suitable for sensitive skin
- Moisturises the skin - leaving it clean and not stripped of oil
- Versatile - can be used with different oils
- Luxurious texture - suitable for rinse-off applications
- Excellent cleanser - make up is easily removed
- COSMOS Approved
- NATRUE Approved

Method

- Combine components of Phase A in a beaker and components of Phase B in a separate beaker.
- Transfer Phase A onto an overhead mixer and stir for a minute, then start adding Phase B slowly in portions, allowing oil to be incorporated fully before adding more.
- When all the oil has been added, homogenise for a minute

Characteristics

Stability

Stable for 3 weeks at 50°C and 3 months at 40°C

Appearance

Transparent pale blue liquid

PH

5-7

Viscosity

Spindle 03 @ 50RPM: 500-800cp (Model: Brookfield DV-E, fill size:100g, 20°C (±5 °C))

✓ PEG Free

✓ Vegan

✓ Preservative Free

✓ Natural Origin

✓ Palm Oil Free

✓ COSMOS Approved

Adapt the Formula

- Change oil phase
- Change essential oil/ fragrance
- Change colour
