

# Stimulating Rosemary Hair Oil

This stimulating rosemary hair oil is a lightweight, fast-absorbing formula. It revitalises the scalp, boosts circulation, and promotes stronger, healthier-looking hair with each use.

ALCHEMY  
ingredients

## Ingredients

Phase	Trade Name	INCI name	% w/w	Supplier
A	Micromulse® LB	Glycerine, Polyglyceryl-10 Laurate, Aqua, Saponaria Officinalis (Soapwort) Leaf/Root Extract	17.50	Alchemy Ingredients
A	Glycerin	Glycerin	32.50	
A	Water	Aqua	7.00	
B	CCT	Caprylic/Capric Triglyceride	29.00	
B	Argan Oil	Argania Spinosa Kernel Oil	8.00	
B	Jojoba Oil	Simmondsia Chinensis Seed Oil	4.00	
B	Rosemary Essential Oil	Rosemarinus Officinalis Leaf Oil	1.50	
B	Mint Essential Oil	Mentha Piperita Oil	0.50	

Formulation Code: 128-08-00-00/1

## Method

- Combine phase A in a beaker, place on an overhead mixer, and stir for one minute.
- In a separate beaker, combine phase B.
- Start adding phase B slowly in small portions, allowing oil to be incorporated fully before adding more.
- When all the oil has been added, homogenise for a minute. Air in the formulation will take several days to clear.

## Characteristics

### Stability

Stable for 3 weeks at 50°C and 3 months at 40°C

### Appearance

Transparent Iridescent Liquid

### PH

6-7

### Viscosity

800-1200cps

✓ PEG Free

✓ COSMOS

✓ Preservative Free

✓ Natural Origin

✓ Vegan

## Ingredient Benefits

### Micromulse® LB

- Forms transparent Micellar Oils
- Extremely mild formulation - suitable for sensitive skin
- Moisturises - leaving skin clean and not stripped of oil
- Versatile - can be used with different oils
- Luxurious texture - suitable for rinse off applications
- Excellent cleanser - make up is removed easily
- COSMOS approved
- NATRUE approved

## Adapt the Formula

- Change the oils and fragrance
- Add actives for additional skin benefits
- Adjust the levels of phase A to get a more fluid texture
